**You,
Stronger.**

Family, Stronger.

Diversified Advantage has death benefit protection so if you're not there, those who matter most will receive an income-tax-free and probate-free death benefit.

Help your beneficiaries:

- Maintain their lifestyle
- Stay in the home they love
- Finish their education
- Continue a business

There's no feeling quite like the gratifying cradle of a solid life insurance policy.

Experience the sweet, sweet advantages of diversity.

Make it Yours

You can add optional benefits designed to enhance protection for your family or business and even help if serious illness strikes. See the important information on page six and visit the website below for details about all of the available options.

Any Time, Any Reason

Your policy accumulates cash value you can access during your lifetime for any reason, in most cases income-tax-free.¹

Diversity and Flexibility

Build cash value through allocations to any of 33 diverse options based on your goals and risk tolerance. Change your choices or transfer values at certain intervals without the fees or tax consequences common with investments outside of an insurance policy.

**You,
Stronger.**

To see the complete list of optional benefits and learn what they can do for you, go to www.pennmutual.com/DAVUL-options.

¹Accessing cash value will reduce your policy death benefit and values, may result in certain fees and charges and may require additional premium payments to maintain coverage.

Feeling stronger doesn't have to be a future state.

A few things your policy's cash value could help with right now:¹

Supplemental
or Retirement
Income

Education
Costs

Travel

Home
Improvement

Business
Needs

¹Accessing cash value will reduce your policy death benefit and values, may result in certain fees and charges and may require additional premium payments to maintain coverage. Ask your financial professional for details on accessing your cash value, including how it might impact the coverage guarantees and situations when the values you access could be taxable. Always consult your tax advisor before accessing your policy's cash value.

Breaking down your accumulation options.

A big advantage of this life insurance policy is the ability to allocate values to one or more of 33 diverse accumulation options based on your goals and risk tolerance.

24 Variable Investment Options

Build a portfolio your way with options that span virtually every major asset class and a wide range of risk tolerances.

5 Variable Asset Allocation Funds

Our Asset Allocation funds, designed for investing at a consistent risk level, let you take a more hands-off approach.

3 Indexed Fixed Account Options

These offer growth tied to changes in the S&P 500 Index® (excluding dividends) — without the risks of direct investment.²

1 Fixed Interest Account

This is a low risk option for when you want guaranteed, predictable growth.³

**You,
Stronger.**

Our financial professionals are here to help you become financially stronger, and give guidance so you can decide which options are best for you.

²An index is a representation of a stock market sector. It is not possible to invest directly in an index.

³All guarantees are based on the claims-paying ability of the issuer.
